Regional Connect Event for Vendors/Suppliers

HAMPTON ROADS VIRGINIA

Calling All Vendors/Suppliers Get Connected to State Buyers!

You're invited to connect with buyers from various Virginia state agencies, at roundtable discussions on their needs for various goods and services.

If you are exploring state government markets for your business growth or a SWaM business looking to better position your company to bid on contracts and generate new business leads.

Learn how to position your company to bid on and win future state contracts. This is your chance to meet the buyers face-to-face and to present the goods and/or services your company provides. This is a wonderful opportunity to connect!
